	Less: Current Tax	-	-
5	<b>LOSS FOR THE YEAR</b>	<b>(1,72,586)</b>	<b>(1,80,640)</b>

**2. YEAR IN RETROSPECT**

The Company was incorporated as a subsidiary of M/s DLF Home Developers Ltd.

The Company was incorporated for the following purposes:

- a. To execute works as an EPC Contractor.
- b. To do all developmental activities of BOT transport projects. This helps DLF/GPL to concentrate on development of BOT projects exclusively without clubbing with EPC activities.
- c. Development of projects and EPC operations require different set of skill and objectives. Hence, DLF/GPL have felt the need for forming a subsidiary with specialized team to develop BOT projects.
- d. DLF/GPL will not be fully exposed to investment risks in BOT projects.
- e. BHHPL will invest in all future transport related SPVs apart from the present SPVs.
- f. This will help DLF/GPL to have better control and implementation under a single company and to expand its investments in BOT projects.
- g. This will also help BHHPL to participate in number of BOT projects, have Joint Ventures with strategic partners, and to get access to funds from Indian and Global Investors.

**3. REVIEW OF OPERATIONS**

During the year under review, your Company has not commenced any operations.

#### 4. FUTURE OUTLOOK

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF BALAJI HIGHWAYS HOLDING PRIVATE LIMITED**

#### **Report on the Financial Statements**

We have audited the accompanying Ind AS financial statements of **BALAJI HIGHWAYS HOLDING PRIVATE LIMITED** ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

#### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its loss and its cash flows for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

## **Annexure-A**

**Annexure referred to in paragraph 2 under the heading “Report on Other Legal and Regulatory Requirements” of our report on even date:-**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Balaji Highways Holding Private Limited** (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTE NO.

**1. CORPORATE INFORMATION**

M/s Balaji Highways Holding Private Limited is a private company domiciled in India and incorporated under the provisions of the Companies Act, 1956.

The Company was incorporated as a subsidiary of M/s DLF Home Developers Ltd. (formerly DLF Infra Holdings Ltd.) for the following purposes:

- a. To execute works as an EPC Contractor.
- b. To do all developmental activities of BOT transport projects.
- c. Development of projects and EPC operations require different set of skill and objectives. Hence, a subsidiary with specialized team to develop BOT projects has been formed.
- d. DLF/GPL will not be fully exposed to investment risks in BOT projects.
- e. BHHPL will invest in all future transport related SPVs apart from the present SPVs.
- f. This will help DLF/GPL to have better control and implementation under a single company and to expand its investments in BOT projects.
- g. This will also help BHHPL to participate in number of BOT projects, have Joint Ventures with strategic partners, and to get access to funds from Indian and Global Investors.

**2. BASIS OF PREPARATION**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition has been summarized in note 28. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**2.1 SIGNIFICANT ACCOUNTING POLICIES****a) Use of Estimates:**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

**b) Fixed Assets and Depreciation:****I. Tangible**

Tangible Fixed Assets are stated at historic cost which includes freight, installation cost, duties, taxes and other incidental expenses less accumulated depreciation.

**II. Intangible Assets**

Intangible assets are recognized as per the criteria specified in accordance with Indian Accounting Standards (Ind AS) 38 "Intangible Assets" as specified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Accounts) Rules, 2015 and are amortized as follows:

Carriageway representing Toll Collection Rights are obtained in consideration for rendering construction, operation and maintenance services in relation to building and maintenance of the project on Build, Operate and Transfer basis. The cost of such Carriageway comprises construction cost and other preoperative costs incurred during the implementation phase.

Such Carriageway on completion are capitalized as Intangible Asset and are amortized over the period of rights given under the Concession Agreement as they represent right to collect Toll revenue during the concession period.

**III Intangible Assets under development**

Intangible Asset under development includes direct and indirect expenditure incurred for the Highway project and costs incidental and related thereto.

Expenses incurred relating to the development of Highway project prior to commencement of commercial operations are included under Intangible Asset under development and after completion to be transferred to Intangible Asset.

**c) Revenue Recognition:**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- i. Fee collection from users of the facility are accounted for as and when the amount is due and recovery is certain. Income from sale of smart card is recognized as and when the amount is received from the users of the cards.
- ii. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.
- iii. Dividend income is recognized when the right to receive is established.
- iv. Other items of income are accounted for as and when the right to receive arises.

**d) Borrowing Costs:**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying asset are capitalized as part of the cost of such asset, till such time as the assets is ready for its intended use or sale. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

For the period till commercial operations date, returns arising from surplus funds inextricably linked with the project, invested intermittently, are set-off against related borrowing cost.

## NOTE NO.

2.1 e) Foreign Currency transactions:

a) The reporting currency of the company is the Indian Rupee.

b) Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.

c) At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.

f) Investments:

Current Investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for decline in value is made to recognize a decline other than temporary in the value of investment.

g) Current and Non-Current Investments:

Investments are classified as Long Term and Current Investments. Long Term Investments are carried at cost less provision for permanent diminution, if any, in the value of such investments. Current Investments are carried at lower of cost and fair value. Dividend income from companies is accounted for when the right to receive such dividend is established. Dividend income on mutual funds is accounted on receipt basis.

h) Earnings per share:

Basic and Diluted Earnings per Share (EPS) is reported in accordance with Accounting Standard (AS) - 20, "Earnings per Share", issued by the Institute of Chartered Accountants of India and specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. EPS is computed by dividing the net profit or loss for the year by the weighted average number of Equity Shares outstanding during the year.

i) Provisions (Short Term and Long Term) and Contingent Liabilities:

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- The company has a present obligation as a result of a past event.
- A probable outflow of resources is expected to settle the obligation and
- The amount of the obligation can be reliably estimated.

j) Taxes:

Tax on income for the current year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year, and qualified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred Tax Assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

k) Pre-operative Expenditure:

Incidental expenditure incurred during construction period towards "Concessionaire Asset" is capitalised on completion of construction and obtaining related COD.

l) Depreciation

Depreciation on assets has been provided on straight-line basis in the manner prescribed under Schedule II to the Companies Act, 2013.

**13 Breakup of financial assets and financial liabilities carried at amortized cost**

	As at		
	31 March 2017	31 March 2016	1 April 2015
<b>Financial assets</b>			
Cash and cash equivalents	3,53,673	25,759	4,259
<b>Total</b>	<b>3,53,673</b>	<b>25,759</b>	<b>4,259</b>
<b>Financial liabilities</b>			
Other financial liabilities	1,30,04,139	1,25,03,639	1,23,01,499
<b>Total</b>	<b>1,30,04,139</b>	<b>1,25,03,639</b>	<b>1,23,01,499</b>

The carrying amount of current financial assets and current trade and other payables measured at amortised cost are considered to be the same as their fair values, due to their short term nature.

The carrying value of Rupee Term Loan and Loan from Related Party approximate fair value as the instruments are at prevailing market rate.

**14 Significant accounting judgements, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**15 Fair Values**

The management assessed that cash and cash equivalents, trade receivables, current loans, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments or as they carry market rate of interest.

**NOTE NO.****16 Financial risk management objectives and policies**

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

**a) Market Risk**

The Company's activities expose it primarily to the financial risks of changes in interest rates. There has been no change to the company's exposure to market risks or the manner in which these risks are managed and measured.

**b) Interest rate risk**

The company is exposed to interest rate risk because it borrows funds primarily at floating interest rates. However, the interest rates are dependant on base rates/prime lending rates of the lead bank which are not expected to chage very frequently and the estimate of the management is that these will not have significant upward trend.

**c) Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing creditworthy counterparties. The management believes that the credit risk is negligible since its mail receivable is from the grantors of the concession which is Government Authority.

**d) Capital management**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

17 The Company did not commence commercial operations during the current year. Hence, there are no separate reportable segments (Business & / or Geographical) in accordance with the requirements of Accounting Standard-17 "Segment Reporting".

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF BALAJI HIGHWAYS HOLDING PRIVATE LIMITED**

#### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated Ind AS financial statements of **BALAJI HIGHWAYS HOLDING PRIVATE LIMITED** ('the Company') and its associates, which comprise the consolidated balance sheet as at 31 March 2017, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of cash flows and the consolidated statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

#### **Management's Responsibility for the Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Holding Company and its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in these consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March, 2017, and its loss and its cash flows for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) the consolidated balance sheet, the consolidated statement of profit and loss, the consolidated statement of cash flows and the consolidated statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - (d) in our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued there under;
  - (e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure - A"; and
  - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The company has not pending litigation which would impact its financial position;
    - ii. The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses;
    - iii. There were no amounts which were required by the company to be transferred to the Investor Education and Protection Fund, and;

- iv. The Company has provided requisite disclosures in its consolidated Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016. However we are unable to obtain sufficient and appropriate audit evidence to report on whether the disclosures with respect to currency held other than SBNs are in accordance with books of account maintained by the company and as produced to us by the management.

## **Annexure-A**

**Annexure referred to in paragraph 2 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date:-**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of Balaji Highways Private Limited ('the Holding Company'), and its associates as at and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of the Holding Company and associate companies, which are companies covered under the Act, as at that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company and its joint venture companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company and its associate's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Holding Company and its associates have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTE NO.

**1. CORPORATE INFORMATION**

M/s Balaji Highways Holding Private Limited is a private company domiciled in India and incorporated under the provisions of the Companies Act, 1956.

The Company was incorporated as a subsidiary of M/s DLF Home Developers Ltd. (formerly DLF Infra Holdings Ltd.) for the following purposes:

- To execute works as an EPC Contractor.
- To do all developmental activities of BOT transport projects.
- Development of projects and EPC operations require different set of skill and objectives. Hence, a subsidiary with specialized team to develop BOT projects has been formed.
- DLF/GPL will not be fully exposed to investment risks in BOT projects.
- BHHPL will invest in all future transport related SPVs apart from the present SPVs.
- This will help DLF/GPL to have better control and implementation under a single company and to expand its investments in BOT projects.
- This will also help BHHPL to participate in number of BOT projects, have Joint Ventures with strategic partners, and to get access to funds from Indian and Global Investors.

**2. Investment in associate and Joint Ventures**

Investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the share of net assets of the associate or joint venture since the acquisition date.

The statement of profit and loss reflects the share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

**3. List of associates consolidated**

The following entities, incorporated in India, have been considered for the purpose of preparation of consolidated financial statement:

Name of Associates	Interest in joint control as on		
	31st Mar 17	31st Mar 16	31st Mar 15
HKR Roadways Limited	25.72%	25.72%	25.72%
Indore Dewas Tollways Ltd	33.32%	33.32%	33.32%

**4.1 SIGNIFICANT ACCOUNTING POLICIES****a) Use of Estimates:**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

b) **Fixed Assets and Depreciation:**

**I. Tangible**

Tangible Fixed Assets are stated at historic cost which includes freight, installation cost, duties, taxes and other incidental expenses less accumulated depreciation.

**II. Intangible Assets**

Intangible assets are recognized as per the criteria specified in accordance with Indian Accounting Standards (Ind AS) 38 "Intangible Assets" as specified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Accounts) Rules, 2015 and are amortized as follows:

Carriageway representing Toll Collection Rights are obtained in consideration for rendering construction, operation and maintenance services in relation to building and maintenance of the project on Build, Operate and Transfer basis. The cost of such Carriageway comprises construction cost and other preoperative costs incurred during the implementation phase.

Such Carriageway on completion are capitalized as Intangible Asset and are amortized over the period of rights given under the Concession Agreement as they represent right to collect Toll revenue during the concession period.

**III Intangible Assets under development**

Intangible Asset under development includes direct and indirect expenditure incurred for the Highway project and costs incidental and related thereto.

Expenses incurred relating to the development of Highway project prior to commencement of commercial operations are included under Intangible Asset under development and after completion to be transferred to Intangible Asset.

c) **Revenue Recognition:**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- i. Fee collection from users of the facility are accounted for as and when the amount is due and recovery is certain. Income from sale of smart card is recognized as and when the amount is received from the users of the cards.
- ii. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.
- iii. Dividend income is recognized when the right to receive is established.
- iv. Other items of income are accounted for as and when the right to receive arises.

d) **Borrowing Costs:**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying asset are capitalized as part of the cost of such asset, till such time as the assets is ready for its intended use or sale. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognized as an expense in the period in which they are incurred.

For the period till commercial operations date, returns arising from surplus funds inextricably linked with the project, invested intermittently, are set-off against related borrowing cost.

## NOTE NO.

- 4.1 e) **Foreign Currency transactions:**  
a) The reporting currency of the company is the Indian Rupee.  
b) Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.  
c) At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.
- f) **Investments:**  
Current Investments are carried at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for decline in value is made to recognize a decline other than temporary in the value of investment.
- g) **Current and Non-Current Investments:**  
Investments are classified as Long Term and Current Investments. Long Term Investments are carried at cost less provision for permanent diminution, if any, in the value of such investments. Current Investments are carried at lower of cost and fair value. Dividend income from companies is accounted for when the right to receive such dividend is established. Dividend income on mutual funds is accounted on receipt basis.
- h) **Earnings per share:**  
Basic and Diluted Earnings per Share (EPS) is reported in accordance with Accounting Standard (AS) - 20, "Earnings per Share", issued by the Institute of Chartered Accountants of India and specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. EPS is computed by dividing the net profit or loss for the year by the weighted average number of Equity Shares outstanding during the year.
- i) **Provisions (Short Term and Long Term) and Contingent Liabilities:**  
Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:  
i. The company has a present obligation as a result of a past event.  
ii. A probable outflow of resources is expected to settle the obligation and  
iii. The amount of the obligation can be reliably estimated.
- j) **Taxes:**  
Tax on Income for the current year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.  
Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year, and qualified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.  
Deferred Tax Assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.
- k) **Pre-operative Expenditure:**  
Incidental expenditure incurred during construction period towards "Concessionaire Asset" is capitalised on completion of construction and obtaining related-COD.
- l) **Depreciation**  
Depreciation on assets has been provided on straight-line basis in the manner prescribed under Schedule II to the Companies Act, 2013.

**15 Breakup of financial assets and financial liabilities carried at amortized cost**

	As at		
	31 March 2017	31 March 2016	1 April 2015
<b>Financial assets</b>			
Cash and cash equivalents	3,53,673	25,759	4,259
<b>Total</b>	<b>3,53,673</b>	<b>25,759</b>	<b>4,259</b>
<b>Financial liabilities</b>			
Other financial liabilities	1,30,04,139	1,25,03,639	1,23,01,499
<b>Total</b>	<b>1,30,04,139</b>	<b>1,25,03,639</b>	<b>1,23,01,499</b>

The carrying amount of current financial assets and current trade and other payables measured at amortised cost are considered to be the same as their fair values, due to their short term nature.

The carrying value of Rupee Term Loan and Loan from Related Party approximate fair value as the instruments are at prevailing market rate.

**16 Significant accounting judgements, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**17 Fair Values**

The management assessed that cash and cash equivalents, trade receivables, current loans, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments or as they carry market rate of interest.

**NOTE NO.**

**18 Financial risk management objectives and policies**

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

**a) Market Risk**

The Company's activities expose it primarily to the financial risks of changes in interest rates. There has been no change to the company's exposure to market risks or the manner in which these risks are managed and measured.

**b) Interest rate risk**

The company is exposed to interest rate risk because it borrows funds primarily at floating interest rates. However, the interest rates are dependant on base rates/prime lending rates of the lead bank which are not expected to chage very frequently and the estimate of the management is that these will not have significant upward trend.

**c) Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing creditworthy counterparties. The management believes that the credit risk is negligible since its mail receivable is from the grantors of the concession which is Government Authority.

**d) Capital management**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

**19** The Company did not commence commercial operations during the current year. Hence, there are no separate reportable segments (Business & / or Geographical) in accordance with the requirements of Accounting Standard-17 "Segment Reporting".
