### 2. THE YEAR IN RETROSPECT

#### i. EPC / O&M WORKS AT THE PROJECT SITE

The members are already aware that according to the Provisional Completion Certificate dated 31 July 2010 issued by NHAI, the COD has been declared for 45.22KM of the project. The work on the entire main carriageway has been completed since then as per right of way made available to the Company. The Company has applied for Final Project Completion Certificate to NHAI.

Your Company has already commenced the Operations & Maintenance for the completed stretch of the Project Highway and the O&M works are progressing as per the stipulations under the Concession Agreement.

During the year, your company has completed Major Maintenance Work to the tune of Rs. 17.15 Crores out of Estimated Rs. 27.58 Crore through the O&M Contractor. The balance work is in progress and is expected to be completed by the month of June 2017.

**ii. ANNUITY RECEIPTS FROM NHAI**

The Company has received 14<sup>th</sup> Annuity on 4<sup>th</sup> October 2016 (due on 27<sup>th</sup> September 2016) and 15<sup>th</sup> Annuity on 28<sup>th</sup> March 2017 (due on 27<sup>th</sup> March 2017). The Annuity amounts are being utilized to meet O&M Expenses, debt-servicing obligations, i.e. payment of Interest on Term Loans and repayment of Principal Installments, administrative expenses and other project related costs.

**iii. OTHER ISSUES WITH NHAI**

NHAI owes various dues to the Company on account of Change of Scope, Utilities Shifting, delays in Annuity payments etc. There is an inordinate procedural delay at various levels within NHAI with regard to processing of these payments. The project execution team is in continuous follow-up for an early release of these amounts, but no progress has been achieved with NHAI so far.

**iv. TERM LOANS AND INTEREST THEREON**

During the financial year under review, your Company was regular in servicing interest on Term Loans, due to regular receipt of Annuity from NHAI.

The following table shows the Principal Term Loan outstanding, as on 31<sup>st</sup> March 2017:

<b>Rs. in Crores</b>					
<b>S. No.</b>	<b>Name of the Lender</b>	<b>Sanctioned</b>	<b>Disbursed</b>	<b>Repayment</b>	<b>Outstanding</b>
1	IDFC Bank - Sr Debt	32.57	32.08	8.78	23.30
2	IDFC Bank - Sub Debt	19.00	18.71	4.09	14.62
3	Canara Bank	50.00	48.33	13.49	34.74
4	Punjab National Bank	50.00	49.24	13.49	35.75
5	United Bank of India	50.00	49.24	13.49	35.75
6	IIFCL	51.00	50.23	13.75	36.48
	<b>Total</b>	<b>252.57</b>	<b>247.83</b>	<b>67.09</b>	<b>180.64</b>

**v. CREDIT RATING**

Your Company is presently rated CARE A- by Care Ratings (Care). The Credit Rating of your Company has improved from BBB, when compared to the previous year, owing to timely debt-servicing to the lenders.

**3. FUTURE OUTLOOK**

The immediate priority of your Company is now to obtain Final Completion Certificate. In view of the Supplementary Concession Agreement and also in view of the receipt of Letter of Credit from NHAI, receipt of future Annuities is assured and thereby, your Company is confident of timely debt-servicing to the lenders.

➤ **Repayment of Principal Loan installments as per the schedule:**

As in the past, your Company will be remitting the principal installments of repayment of Term Loans in accordance with the terms and conditions of the reschedulement of Term Loans approved by the lenders.

➤ **Debt re-financing:**

Your Company is also considering re-financing of the entire Term Loans to reduce the Interest costs. The monetary policy of the Reserve Bank of India (viz. reduction in CRR, Repo Rate etc.) in the recent past has ensured that the liquidity crunch in the market has eased out to a certain extent.

Your Company is in negotiations with various merchant bankers. However, final completion of the project and improvement in Credit Rating need to be achieved before your Company can obtain attractive terms from the market.

➤ **X-Factor / Bonus Annuity / Escalation claims:**

Since the Company has completed the project construction on the available stretch of the Project Highway as on the date of SPCD (Scheduled Project Completion Date), ahead of the schedule, this entitles the company for Bonus Annuity (x-factor). Accordingly, your Company is compiling necessary documents for claiming cost escalations from NHAI.

#### 4. EXTRACT OF ANNUAL RETURN

The Extracts of Annual Return is prepared in Form MGT-9 as per the provisions of the Companies Act, 2013 and Rule 12 of Companies (Management and Administration) Rules, 2014 and the same is enclosed as **Annexure-1**.

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF GAYATRI LALITPUR ROADWAYS LIMITED**

#### **Report on the Financial Statements**

We have audited the accompanying Ind AS financial statements of **GAYATRI LALITPUR ROADWAYS LIMITED** ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

#### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

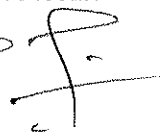

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) the balance sheet, the statement of profit and loss, the statement of cash flows and the statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - (d) in our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued there under;
  - (e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure - A"; and
  - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The company has not pending litigation which would impact its financial position;
    - ii. The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses;
    - iii. There were no amounts which were required by the company to be transferred to the Investor Education and Protection Fund, and;
    - iv. The Company has provided requisite disclosures in its Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016. However we are unable to obtain sufficient and appropriate audit evidence to report on whether the disclosures with respect to currency held other than SBNs are in accordance with books of account maintained by the company and as produced to us by the management.

## **Annexure-A**

**Annexure referred to in paragraph 2 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date:-**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Gayatri Lalitpur Roadways Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

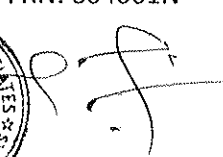

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Gayatri Lalitpur Roadways Limited**  
**Summary of Significant Accounting Policies and Other Explanatory Information**  
(All amounts in ₹ unless otherwise stated)

**1. Corporate information**

M/s Gayatri Lalitpur Roadways Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a Special Purpose Vehicle (SPV) incorporated on 7th July 2006 for execution of the project "Improvement, Operation and Maintenance, Rehabilitation and Strengthening of existing 2-lane Road and widening to 4-lane Divided Highway of NH-25/26 in the state of Uttar Pradesh on Build Operate Transfer (BOT)-Annuity Basis. The company has entered into a Concession Agreement with National Highways Authority of India, which specified a two and a half year of construction period and seventeen and a half years of Operation & Maintenance period. The project has achieved the Commercial Operations Date on 31st July 2010 for 45.22 Kms of the Project Highway, out of 49.305 Kms. The company has applied for Final Completion Certificate.

**2. Summary of significant accounting policies**

**a) Basis of preparation of financial statements**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Unless otherwise stated, the accounting policies applied by the Group are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of work and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the group has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities

**b) Use of estimates**

The preparation of the consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses. Examples of such estimates include the provision for doubtful receivables, determination of recoverable amounts of fixed assets, deferred tax assets, employee benefits and useful lives of fixed assets.

Although these estimates are based on management's best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

**c) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**a. Financial Asset**

**Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through the Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**Subsequent measurement**

For purposes of subsequent measurement, a 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

**Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a) the rights to receive cash flows from the asset have expired, or
- b) the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

**b. Financial Liability**

**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through the Statement of Profit and Loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below.

### Financial liabilities at fair value through the Statement of Profit and Loss

Financial liabilities at fair value through the Statement of Profit and Loss include financial liabilities designated upon initial recognition as at fair value through the Statement of Profit and Loss. Financial liabilities designated upon initial recognition at fair value through the Statement of Profit and Loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L.

However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through the Statement of Profit and Loss.

### Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of the Statement of Profit and Loss.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of the Statement of Profit and Loss.

#### d) Fixed assets

Tangible assets are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Intangible assets represent commercial rights to collect toll fee in relation to roads projects which has been accounted at the cost incurred on the project activity towards reconstruction, strengthening, widening, rehabilitation of the roads on build, operate and transfer basis. It includes all direct material, labour and subcontracting costs, inward freight, duties, taxes, obligation towards negative grant payable to concessionaires, if any, and any directly attributable expenditure on making the commercial right ready for its intended use.

**e) Depreciation and amortization**

Depreciation of tangible assets is provided on the basis of straight line method in accordance with Schedule XIV to the Companies Act, 1956.

**f) Impairment**

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

**g) Revenue**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

*Contract revenue*

- Revenue from construction contracts is recognized using percentage completion method as prescribed under Ind AS 11 "Construction Contracts" and with reference to stage of completion of the contract activity, at the reporting date. Depending on the nature and terms of individual contract, stage of completion is determined on the basis of the proportion of costs incurred for the work performed till date to the total estimated contract costs.
- Price escalation and other claims and/or variation in the contract work are included in the contract revenue only when:
  - Negotiations have reached an advanced stage such that it is probable that the customer will accept the claim; and
  - The amount that is probable will be accepted by the customer and can be measured reliably.
- Revenue from services rendered on a time and material basis is recognised as per the terms of contracts with customers and as and when the related services are performed. Revenue from fixed price arrangements is recognised using the completed contract method and accordingly, work completed and not billed, if any, is recognised as unbilled revenue as at the Balance Sheet date.

*Development of highways*

In case of companies involved in construction and maintenance of roads, Once the infrastructure is in operation. In intangible assets modal, toll revenue from operations is recognised on accrual basis which coincides with the collection of toll. In financial assets modal, finance income is recognized using the effective interest method and revenue from operations and maintenance services (including periodic maintenance) are recognized in each period as and when services are rendered in accordance with Ind AS 18 revenue.

*Interest income*

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

**Summary of Significant Accounting Policies and Other Explanatory Information**  
(All amounts in ₹ unless otherwise stated)

*Dividend income*

Dividend income is accounted for when the right to receive is established.

**h) Borrowings Costs**

In Case of concession arrangement under financial asset model, borrowing Costs that are attributable to the acquisition and/or construction of the infrastructure are charged to The Statement of Profit and Loss in the period in which such costs are incurred.

In Case of concession arrangement under intangible asset model, borrowing cost of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. Any income on the temporary investments of borrowings is deducted from the borrowing cost. All borrowing cost subsequent to the capitalization of the intangible assets are charged to the Statement of Profit and Loss in the period in which such costs are incurred.

**i) Earnings/(loss) per share**

Basic earnings per share are calculated by dividing the net the Statement of Profit and Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net the Statement of Profit and Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

**j) Employee Benefits**

Provisions for/contributions to retirement benefit schemes are made as follow as per Indian Accounting Standard ( Ind AS) – 19, “Employee Benefits:

- a) Provident fund on actual liability basis
- b) Gratuity based on actuarial valuation
- c) Leave encashment benefit on retirement on actuarial valuation basis.

**k) Taxes on Income**

*Current Tax*

Tax on income for the current year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

*Deferred Tax*

Deferred Tax is recognized on timing differences between the accounting income and the taxable income for the year, and qualified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

At each reporting date, the entities in the group re-assess unrecognised deferred tax assets. It recognizes unrecognised deferred tax asset to the extent that it has become reasonably certain of virtually certain, as

**Gayatri Lalitpur Roadways Limited**  
**Summary of Significant Accounting Policies and Other Explanatory Information**  
(All amounts in ₹ unless otherwise stated)

the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The entities in the group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

**l) Cash and Cash Equivalents**

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and include short term investments with an original maturity of three months or less.

**m) Provisions and contingent liabilities**

Provision is recognized when the Company has a present obligation as a result of a past event and when it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management's best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. A disclosure of a contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

**n) Claims**

- a. Company's claims against the Concessional Authority for additional scope of work, utility shifting etc. are accounted for as and when received.
- b. Contractor's claims regarding additional scope of work, utility shifting etc. are accounted for when related claims of the Company are received from the Concessional Authority.
- c. Other claims against/by the company are accounted for as and when accepted.

**o) Pre-operative Expenditure**

Incidental expenditure incurred during construction period towards "Concessionaire Asset" is capitalised on completion of construction and obtaining related COD.

**p) Foreign currency transactions and derivatives**

- a. The reporting currency of the company is the Indian Rupee.
- b. Foreign currency transactions are recorded on initial recognition in the foreign currency, using the exchange rate on the date of the transaction.
- c. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of monetary items at the closing rate are adjusted in pre-operative expenses.

The carrying amount of current financial assets and current trade and other payables measured at amortised cost are considered to be the same as their fair values, due to their short term nature.

The carrying value of Rupee Term Loan and Loan from Related Party approximate fair value as the instruments are at prevailing market rate.

**24 Significant accounting judgments, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**25 Fair Values**

The management assessed that cash and cash equivalents, trade receivables, current loans, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments or as they carry market rate of interest.

**26 Financial risk management objectives and policies**

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

### Summary of Significant Accounting Policies and Other Explanatory Information

(All amounts in ₹ unless otherwise stated)

#### 26 Financial risk management objectives and policies (Continued)

##### a) Market Risk:

The Company's activities expose it primarily to the financial risks of changes in interest rates. There has been no change to the company's exposure to market risks or the manner in which these risks are managed and measured.

##### b) Interest rate risk

The company is exposed to interest rate risk because it borrows funds primarily at floating interest rates. However, the interest rates are dependant on base rates/prime lending rates of the lead bank which are not expected to change very frequently and the estimate of the management is that these will not have significant upward trend.

##### c) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has adopted a policy of only dealing creditworthy counterparties. The management believes that the credit risk is negligible since its mail receivable is from the grantors of the concession which is Government Authority.

##### d) Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

**30 First-time adoption of Ind AS**

These financial statements, for the year ended 31 March 2017, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2016, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2017, together with the comparative period data as at and for the year ended 31 March 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2015, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2015 and the financial statements as at and for the year ended 31 March 2016.

**Notes to First time adoption of Ind AS**

**Fair valuation of interest free loans from related parties**

Under previous GAAP, the loans received from related parties are recorded at transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly the Company has fair valued these loans under Ind AS. The difference between the carrying value and the fair value on the date of transaction has been treated as Equity Component of Loans from related parties and interest expenses on these loans from the date of transaction till the date of transition has been treated as an decrease in Retained earnings as on date of transition i.e. 1 April 2015. Further, the interest expenses for the year ended 31 March 2016 and 31 March 2017 is treated as an expense in the Statement of Profit and Loss for respective financial years.
